

ASSIGNMENT SKILLS

Chicago 17th B sample reference list

Last updated February 2023

Please check the assignment formatting requirements for your individual unit as they may differ from the advice provided in the Chicago manual.

- Begin the reference list on a new page after the text
- Place the label References in bold, centred at the top of the page
- Arrange the list alphabetically by the first author's surname or organisation name. Where there is no author, use the first word of the title (other than A, An, or The)
- Apply a hanging indent of 1.27cm to each reference list entry
